Addressing Operational Challenges to Emergency Health Response

WWW.AIRLINKFLIGHT.ORG

Airlink is a nonprofit emergency response organization that connects NGOs with air lift to get relief personnel and aid supplies to those in need.

What is Airlink?

- 65 NGO partners
- 35 airline and logistics partners
- 3,800 personnel flown
- 2.4M pounds of cargo moved
- 400 missions supported

CHALLENGE

Collaboration and Communication

across all actors

CHALLENGE

Ensuring Agile Operations

and eliminate program waste and delays
